CAMPUS SECURITY
CRIME REPORT
FALL 2007**

The staff of Montreat College is committed to providing a safe and secure community for our students and information that will equip them to assume responsibility for their safety throughout their lives.

MONTREAT CAMPUS

CAMPUS SECURITY

The Montreat College Campus Police has full arrest authority and provides primary police protection for the college community and can be reached by dialing 713-2520. The college's Chief of Campus Police oversees officers who patrol the campus seven nights a week and Monday – Friday during the day. The college works closely with the town of Montreat police which includes the college in its' 24/7 patrol and informs the college of any criminal activity on public property around the campus. All college buildings and residence halls are checked continually to insure security and to confirm that they are locked each evening. In the event of an emergency, the officer has the ability to immediately contact other area police officials. The residence halls are locked at all times, and an emergency phone is centrally located on campus and available at all times. Through the 911 emergency phone number, fire, rescue, and other area police agencies can be contacted directly.

RESIDENCE HALLS

The residence hall staff is trained to respond to campus emergencies and insure the safety of students living in the residence halls. During visitation events, the Residence Life staff is responsible for protecting residents' privacy and safety. Staff members supervise the entry to the buildings and individual halls to insure compliance to college regulations and prevent uninvited off-campus individuals from entering the buildings. Requiring all guests to register and leave by the front lobby door insures safety and security; room doors are required to be left open; and the residence hall staff checks the halls on a regular basis.

The Office of Student Services provides educational programs and materials that encourage students to be responsible for their own security and the security of others. Information is provided to students through the college's Student Handbook, written materials and small group workshops related to the following: crime prevention, self defense, sex offense awareness, and sex offense sanctions. All students are provided detailed procedures to be followed if a sex offense does occur, and support and protections are afforded the victim.

The Student Handbook also provided details of college policies, sanctions, and laws related to illegal drug and alcohol use. Drug and alcohol abuse education and counseling efforts are coordinated through the Office of Student Services.
