

Montreat College Outdoor Education Department
Immersion Semester Spring 2010
DRAFT Schedule as of March 2009

Below you will find a “tentative” schedule for the spring 2010 Immersion Semester. As you know, there are many variables outside of our control that will determine exact locations and dates of program expeditions, planning phases, etc. Please use the following schedule as a preliminary guide but expect that it WILL change. This will hopefully help students see the “big picture” for the semester.
