The staff of Montreat College is committed to providing a safe and secure community for our students and information that will equip them to assume responsibility for their safety throughout their lives.

**MONTREAT CAMPUS**

**CAMPUS SECURITY**

The Montreat College Campus Police has full arrest authority and provides primary police protection for the college community and can be reached by dialing 713-2520. The college's Chief of Campus Police oversees officers who patrol the campus seven nights a week. The college works closely with the town of Montreat police which includes the college in its' 24/7 patrol and informs the college of any criminal activity on public property around the campus. All college buildings and residence halls are checked continually to insure security and to confirm that they are locked each evening. In the event of an emergency, the officer has the ability to immediately contact other area police officials. The residence halls are locked at all times, and an emergency phone is centrally located on campus and available at all times. Through the 911 emergency phone number, fire, rescue, and other area police agencies can be contacted directly.

**RESIDENCE HALLS**

The residence hall staff is trained to respond to campus emergencies and insure the safety of students living in the residence halls. During visitation events, the Residence Life staff is responsible for protecting residents’ privacy and safety. Staff members supervise the entry to the buildings and individual halls to insure compliance to college regulations and prevent uninvited off-campus individuals from entering the buildings. Requiring all guests to register and leave by the front lobby door insures safety and security; room doors are required to be left open; and the residence hall staff checks the halls on a regular basis.

The Office of Student Services provides educational programs and materials that encourage students to be responsible for their own security and the security of others. Information is provided to students through the college's Student Handbook, written materials and small group workshops related to the following: crime prevention, self defense, sex offense awareness, and sex offense sanctions. All students are provided detailed procedures to be followed if a sex offense does occur, and support and protections are afforded the victim.

The Student Handbook also provided details of college policies, sanctions, and laws related to illegal drug and alcohol use. Drug and alcohol abuse education and counseling efforts are coordinated through the Office of Student Services.

**REPORTING CRIMES ON CAMPUS**

Students and employees are directed to report any occurrence of the crimes listed on the [Campus Crime Statistics link](http://sbi.jus.state.nc.us/DOJHAHT/SOR/) to the local police, Campus Police, or the Assistant Dean for Student Life. Montreat College will provide a timely warning to the campus community of any occurrences of these crimes in the event they present a continuing threat to students and/or employees. Information regarding area registered sex offenders may be found through the Buncombe County Sheriff's Office or the following North Carolina State Bureau of Investigation web site: [http://sbi.jus.state.nc.us/DOJHAHT/SOR/](http://sbi.jus.state.nc.us/DOJHAHT/SOR/)

**CAMPUS SECURITY AND EMERGENCY RESPONSE**
Montreat College has established a committee made up of staff, faculty, and students to conduct an annual review of all campus security policies, crime reporting procedures, and emergency management procedures. For more information, contact the Office of Student Services at 828-669-8012, extension 3631.

Timely Warnings

In the event a public threat arises, either on or off campus, that in the judgment of the Dean of Students or the Chief of Campus Police constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the college's phone notification system, through campus mail, flyers in all campus buildings, and the college e-mail system to students, faculty, and staff. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Office of Student Services may also post a notice on the campus web site at: www.montreat.edu, providing the community with more immediate notification. In such instances, a copy of the notice is posted in each residence hall and at the front door of each campus building. Anyone with information warranting a timely warning should report the circumstances to the Campus Police, by phone (713-2520) or in person at the office of Student Services, Belk Campus Center, second floor.

Emergency Response, Lockdown, and Evacuation Procedures

If there is an ongoing public threat, the Dean of Students or the Chief of Campus Police may initiate an emergency lockdown or evacuation procedure. The action notice will be issued through the college’s cell phone emergency notification system, through campus mail, flyers in all campus buildings, and the college e-mail system to students, faculty, and staff. In such instances, a copy of the notice is posted in each residence hall and at the front door of each campus building. Anyone with information about any community threat should report the circumstances by calling 911, the Campus Police, by phone (713-2520), the Dean of Students (669-8012 ext. 3631) or in person at the office of Student Services, Belk Campus Center, second floor.

Missing Student Notification

In compliance with the Missing Student Notification Policy and Procedures 20 USC 1092 C; (Section 488 of the Higher Education Opportunity Act of 2008), it is the policy of Student Services and Residence Life to actively investigate any report of a missing student who is enrolled at the college as either a full or part-time student. Each resident will be notified of the missing students’ policy and procedures in the event that they are reported missing.

Each resident is asked to provide the name and contact number of the individual(s) that is to be contacted in case of an emergency, including in the event of the resident being reported missing for a period of no more than 24 hours. For any resident under the age of 18, and not an emancipated individual, the institution is required to notify a custodial parent or guardian no later than 24 hours after the time that the resident is determined to be missing by Student Services staff.

If a member of the college community has reason to believe that a student is missing, all efforts will be made immediately (no waiting period) to locate the student to determine his or her state of health and well-being. These efforts include, but are not limited to, checking the resident’s room, class schedule, friends, contacting the police, locating the resident’s vehicle, and calling cell phone number.

If upon investigation by Student Service and police, the resident is determined missing for at least 24 hours, the Dean of Students will contact the resident’s designated emergency contact or custodial parent or legal guardian, if under the age of 18 or the student has failed to designate an emergency contact. Student Services and police will continue to investigate utilizing established police investigative procedures. Student Services will co-ordinate its efforts with outside law enforcement agencies in full compliance with legal obligations and good police practice.

Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the college or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Chief or a designee of campus police can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the college can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Policy for Reporting the Annual Disclosure of Crime Statistics

The Office of Student Services prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at www.montreat.edu/student/campus_police/. This report is prepared in cooperation with the Campus Police, Student Services, Residence Life and local law enforcement agencies. Each entity provides updated information on their educational efforts and programs to comply with the Act. Campus crime, arrest and referral statistics include those reported to the Campus Police, designated campus officials (including but not limited to directors, deans, department heads, advisors to students/student organizations, athletic coaches), and local law enforcement agencies. Counseling and Health Services staff informs their clients of the procedures to report crime to the police on a voluntary or confidential basis, should they feel it is in the best interest of the client. Each year, a copy of the report is e-mailed to all current students and employees. Copies of the report may also be obtained at Student Services, Belk second floor. All prospective employees may obtain a copy from the college Business Office (828) 669-8011, and the web site address will be attached to college employment applications and open position notices.

ALL CAMPUSES

Sexual Violation Offenses

Offenses include: Sexual Harassment, Forcible and/or Non-Consensual Sexual Conduct, and Sexual Exploitation (for more information, see www.montreat.edu/safecommunity) Montreat College recognizes the dignity and worth of all humanity as God’s creation in His own image and therefore seeks to maintain a community free of sexual harassment, sexual assault, and other forms of violation. These offenses are also a violation of the law and grounds for disciplinary action up to and including discharge or suspension. Further, the college does not condone solicitation or threats to bring false accusation of sexual violation. This policy shall apply with equal force to all students, staff and faculty.

Sexual harassment is unwelcome verbal or physical conduct of a sexual nature that is sufficiently severe, persistent or pervasive that it unreasonably interferes with, denies or limits someone’s ability to participate in or benefit from the university’s educational program and/or activities, and is based on a) power differentials (quid pro quo), b) the creation of a hostile environment, or c) retaliation. Examples of sexual harassment include, but are not limited to: an attempt to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; to condition a benefit on submitting to sexual advances; to display sexually suggestive objects or pictures; sexual violence; intimate partner violence; stalking; gender-based bullying.
If a student or employee feels he or she has been sexually harassed, the matter should be brought to the Dean of Students or the Title IX Coordinator. At this time, the student will be advised and assisted in how to attempt to resolve the matter. If that course fails or if the allegation is against the dean, the complaint should be put in writing and presented to the Student Grievance Committee.

Jurisdiction - Judicial Council/Dean of Students
Sanction - Official Warning to Dismissal

Forcible and/or Non-Consensual Sexual Conduct (including Rape and Sexual Assault)
Non-consensual or forcible sexual contact will not be tolerated at Montreat College, and is subject to criminal prosecution.

Consent is defined as being informed, freely and given, mutually understandable words or actions. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Absence of “No” is not the equivalent of “Yes.” Consent is considered invalid when forced, threatened, intimidated, coerced, when given by a mentally or physically incapacitated person (including an intoxicated person), or when given by one who is not of legal age. Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity. Previous relationships or prior consent cannot imply consent to future sexual acts. The presence of mixed messages or ambiguity indicates a lack of consent.

Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance or produce consent.

Coercion is unreasonable pressure for sexual activity. Continued pressure after someone makes it clear that they do not want sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction can be coercive.

Sexual exploitation occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual violation offenses. Examples of sexual exploitation include, but are not limited to, invasion of sexual privacy, engaging in voyeurism, or sexually-based stalking or bullying.

Sex offenses will not be tolerated at Montreat College. An alleged act of sexual aggression or sexual exploitation will be taken seriously, investigated thoroughly by the college and the complainant will be encouraged to report the offense to the local authorities. The college will give the complainant the option of having the case heard through the Administrative Disciplinary process as detailed in this Student Handbook. If found responsible, the respondent (accused individual) will face disciplinary action ranging from probation to expulsion, depending on the seriousness of the specific offense.

The college reserves the right to take whatever measures it deems necessary in response to an allegation of sexual violation in order to protect students’ rights and personal safety. Such measures include, but are not limited to, modification of living arrangements, interim suspension from campus pending a hearing, and reporting the matter to local police. Not all forms of sexual violation will be deemed to be equally serious offenses, and the college reserves the right to impose different sanctions, ranging from verbal warning to expulsions, depending on the severity of the offense. The college will consider the concerns and rights of both the complainant and the person accused of sexual violation. Disciplinary hearings are conducted to take into account the totality of all evidence available, from all relevant sources.

Jurisdiction – Administrative
Sanction – Probation and counseling to dismissal and referral to police

If possible, avoid bathing or brushing teeth, and preserve clothing and other evidence in a paper (not plastic) bag. The hospital employs a Sexual Assault Nurse Examiner (S.A.N.E.) nurse who can document injuries, collect evidence (which may be important for future prosecution options), and help the individual with other medical issues such as STD prevention.

**Stalking** A stalking offense occurs when one individual willfully and repeatedly engages in a knowing course of harassing conduct directed at another individual that reasonably and seriously alarms, torments, or terrorizes such individual. Stalking includes otherwise legal behaviors that would cause fear to a reasonable person.

These resources are also trained to assist students after sexual violation situations. Reporting to these individuals constitutes an official report to the college, in which case these officials are required to follow up on the report in a formal fashion (including investigation & possibly disciplinary procedures, and implementing safety measures such as no-contact orders). See Sexual Assault Response Guarantee below.

**Other College Employees** (including Faculty and Residence Life Staff) can assist individuals with connecting to appropriate resources for information, counseling, medical assistance, and reporting options. Reports to these resources may have limited confidentiality; for safety reasons, college employees may be required to inform Reporting Officials of incidents about which they gain information.

*All resources have a “duty to warn” requirement to report if an incident represents a substantial threat to other students or community members. Efforts will be made to preserve as much privacy as legally and ethically possible.*

**Sexual Violation Response Guarantee**

Sexual harassment/violations, including forcible and/or non-consensual sexual conduct, are a very serious concern of the college. If you make a report of a sexual violation on campus, we guarantee you the following:

1. We will respond quickly to your complaint of sexual violation and we will treat you and your particular case with courtesy, sensitivity, dignity, respect and professionalism.
2. You will not be discouraged from making a report.
3. We will meet with you privately, at a place of your choice in this area, to take a complaint report. If you feel more comfortable talking with a female or male, we will accommodate your request.

4. We will not release your name to the public or to the press.

5. We will assist you in arranging for any hospital treatment or other medical needs, and you will be notified of available counseling, mental health or student services for victims of sexual violation, both on campus and in the community.

6. You will have the right to a campus no-contact order against another student who has engaged in or threatens to engage in stalking, threatening, harassing, or other improper behavior that presents a danger to your welfare.

7. You will have the right to protection from retaliatory harassment by the accused or others.

8. You will be given the opportunity to adjust your academic and living situations if needed.

9. We will inform you of your options to notify proper law enforcement authorities, including on-campus and local police, and the option to be assisted by campus authorities in notifying such authorities, if you so choose.

10. We will explain the college’s process of addressing sexual violation, what the policy does and does not cover, and give you a chance to ask questions.

11. You will be kept up to date on the progress of the investigation and/or prosecution, including when the complaint is delivered to the accused; a list of conduct board members, witnesses, and documentary evidence included in the hearing; and the outcome and sanction of any disciplinary hearing involving sexual assault.

You will also have the opportunity to have others present (in a support or advisory role) during a judicial hearing, to question witnesses, and to attend the entire hearing, if you so choose. Hearings will not be open to the public.

14. We will not use mediation (as opposed to adjudication) in cases of non-consensual sexual contact.

15. You will have the right to make an impact statement at a disciplinary hearing and to have that statement considered by the board in determining its sanction.

16. You will have the right to appeal the finding and sanction of the disciplinary hearing if there is evidence that procedures were not followed correctly, or if new and relevant information becomes available.

17. We will continue to be available for you, to answer your questions, and to explain the systems and processes involved.

**Respondent (accused) will also have the right to:**

1. Explanation of the college's process of addressing sexual violation, what the policy does and does not cover, and the chance to ask questions.

2. Not be assumed by the college to be in violation of college policy before an investigation and disciplinary hearing has taken into account the totality of all evidence available, from relevant sources. This right applies even if measures are taken (such as no-contact orders and residential or classroom changes) to ensure safety & wellbeing of the complainant. These measures are standard procedures, not a statement of guilt of the accused.

3. Be kept up to date on the progress of the investigation and/or prosecution, a list of conduct board members, witnesses, and documentary evidence included in the hearing; and the outcome and sanction of any disciplinary hearing involving sexual assault.

4. The opportunity to have others present (in a support or advisory role) during a campus judicial hearing, and to question witnesses (but not to question the complainant directly). Hearings will not be open to the public.

5. Appeal the finding and sanction of the disciplinary hearing if there is evidence that procedures were not followed correctly, or if new & relevant information becomes available.

6. Have questions answered, and to have the systems and processes involved explained thoroughly.

**Sexual Violence - Risk Reduction Tips**
With recognition that only those who commit sexual violence are responsible for those actions, these suggestions may help you to reduce your risk of experiencing sexual aggression:

1) Have clear limits, and make them known as early as possible.
2) Tell a sexual aggressor “NO” clearly and firmly.
3) Try to remove yourself from the physical presence of a sexual aggressor.
4) Find someone nearby and ask for help.
5) Take affirmative responsibility for your alcohol intake/drug use and acknowledge that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
6) Take care of your friends and ask that they take care of you. A real friend will challenge you if you are about to make a mistake. Respect them when they do.

Non-Discrimination Statement: In accordance with federal and state statutes (including Title IX, which prohibits gender-based discrimination), Montreat College is committed to maintaining a community that is free from sexual harassment and all forms of sexual intimidation, exploitation, coercion, and violence. The Associate Dean of Academics and Institutional Effectiveness is designated as the Title IX Coordinator, and is responsible for overseeing the college’s compliance with Title IX. Inquiries concerning the college’s policies, compliance with applicable laws, statutes, and complaints may be directed to the Associate Dean of Academics and Institutional Effectiveness, Montreat College, P.O. Box 1267, Montreat, NC 28757, (828)669-8012 (ext. 3623).

Other offenses which may fall under Title IX anti-gender-discrimination include stalking, bullying, intimate partner violence, hazing, or threatening harm.

Being under the influence includes, but is not restricted to, offensive, disruptive, hazardous, and/or vulgar conduct during or following the consumption of an alcoholic beverage. Violation of this regulation will result in disciplinary action.

Students over the age of 21 are encouraged to use discretion and mature judgment in the event that they choose to consume alcoholic beverages. Due to the potential influence that student leaders have on fellow students, their consumption of alcoholic beverages is discouraged. However, if student leaders, age 21 or older, do choose to consume alcohol, they are expected to model responsibility and maturity.

These recommendations and regulations apply to all students, living on or off campus. Resident students are responsible for conveying these regulations to their guests while they are on the Montreat College campus. Parents of students under the age of 21 may be notified by the Assistant Dean for Student Life in the event of any alcohol or drug related disciplinary action. Educational materials, programs and counseling treatment are available through the Health and Counseling Centers.

In addition to the college sanctions listed below, students who are 19 or 20 years old and found in possession of an alcoholic beverage will be turned over to the campus police pursuant to North Carolina law [G.S. 18B-302 (I)]. MONTREAT COLLEGE
ANNUAL FIRE SAFETY REPORT
Calendar Year 2013

Daily Fire Log
The Student Services Office maintains a Fire Log of all incidents reported. This includes all fire-related incidents.
The Fire Log includes the incident type, date incident is reported, date and time of occurrence, and general location of each reported incident type, as well as the disposition of the incident, if this information is known. The Student Services Office records on the Fire Log within two (2) business days of receiving a report of an incident and reserves the right to exclude reports from a log in certain circumstances as permitted by law.
The most current 60 days of information is available from the Student Services Office.
Annual Fire Safety Report
The Higher Education Opportunity Act (HEOA) requires two (2) new safety-related requirements on institutions that participate in federal student financial aid programs which follow:

1. Fire Log: Institutions must keep a fire log that states the nature of the fire, date, time, and general location of each fire in on-campus student housing facilities.

2. Annual Fire Safety Report: Institutions with on-campus student housing facilities must publish annually a fire safety report that provides information on campus fire safety practices and standards. Montreat College complies with this regulation by including all fire-related incidents at on-campus student housing facilities as part of the Annual Security & Fire Safety Report. Information contained in this annual fire safety report includes: number and cause of fires at all on-campus student housing facilities; number of fire-related deaths; related injuries; value of fire-related property damage; information on evacuation procedures; fire safety education and training programs; fire safety systems in each student housing facility; number of regular mandatory supervised fire drills; and policies on portable electrical appliance, smoking and open flames. The Annual Security & Fire Safety Report includes three (3) years of data.

If a fire occurs in any building, community members should immediately notify 911 from a land line phone or from any cell phone. The campus fire alarm systems alert community members of potential hazards. Community members are required to heed an activated fire alarm system, and evacuate a building immediately. Use the nearest available exit to evacuate the building. Gather outside. Community members should familiarize themselves with the exits in each building. When a fire alarm is activated, the elevators in most buildings will automatically recall to a pre-designated fire safe floor. Occupants should use the stairs to evacuate the building.

Fire Protection Equipment/Systems
All residential buildings are equipped with automatic fire detection and alarm systems which are monitored 24 hours a day, 365 days a year.
