Position: Clinical Mental Health Program Director Assistant/Associate Professor of Clinical Mental Health Counseling

Location: Charlotte, NC

Start Date: August 1, 2015

Application Deadline: Until Filled

Summary:
At Montreat College, we believe an effective counselor can be many things. An advocate. A leader. A collaborator. A counselor who is grounded in faith can serve as an engaged, confident guide, helping others work through crises and make meaning of their lives.

The fastest growing graduate program at Montreat College, the Clinical Mental Health Program is seeking a program director to provide vision for the future of the program, oversight to curriculum, licensure requirements and accreditation standards. The program director position is a 12-month contract, with split administration and teaching load. The position is located at our Charlotte Campus with frequent travel to other program sites.

Teaching and Supervision

- Teach a variety of core and specialized counseling courses to prepare students for clinical program components, integrating instructional technologies into teaching.
- Provide clinical supervision of students in practicum and internship programs.
- Network with local colleges, businesses, and agencies to develop clinical practicum and internship opportunities for students.
- Assist in continued development of clinical training sites for students and providing supervision training and support to on-site supervisors providing clinical internship sites for program students.
- Direct and mentor student independent research.
- Participate in the coordination of clinical experiences of students.

Advising and Mentoring

- Collaborate with academic advisors in adult studies to ensure that students are following the program curriculum.
- Provide career advising and mentoring to students throughout their program regarding professional development, involvement in professional associations, and career specialties.

Curriculum and Program Development and Support

- Lead in the ongoing review of program curriculum, updating curriculum as appropriate, and working alongside with other program faculty to identify ways to expand the curriculum through the development of elective courses and program concentrations.
- Collaborate with appropriate campus departments to schedule courses, and also to explore offering hybrid and online course formats.
Interested candidates should submit the following materials:

1. Letter of interest
2. Curriculum Vitae
3. Written profession of Christian faith and its relationship to the mission, values, and faith statement of Montreat College
4. Transcripts (Unofficial copies will be accepted until a hiring decision is made, at which time official transcripts will be required)
5. List of at least three references with contact information.
Materials should be submitted electronically to:
