ASSOCIATE IN ARTS DEGREE

The Associate in Arts (A.A.) degree has the requirement of foreign language proficiency through the 200 level. All entering students who expect to enroll in a foreign language beyond the elementary level must take a proficiency examination. Students demonstrating proficiency through the 102 level may complete their language requirement by taking six hours of 200-level courses in that language or by satisfactorily completing 12 semester hours of a different language.

Students presenting two high school units of a foreign language but whose required proficiency examination score does not permit them to enter the 200 level may take the 101-102 level of that language for credit.

Students whose native language is not English and whose prior language of instruction was not English may substitute English for the foreign language requirement for the Bachelor of Arts degree. Twelve hours of approved English courses, in addition to the nine hours of general education core requirements, may be substituted. Students should consult with the English department to decide which courses would strengthen their communication and/or grammar skills. These courses will be approved toward meeting the language requirement.
