Montreat College and your local church can work as partners in preparing today’s students to be tomorrow’s Christian leaders. Montreat College invites churches to help their youth secure the resources that they need in order to finance their education at a Christian college.

Through this matching grant program, a church that gives funds to an eligible full time student will make it possible for that student to receive a matching grant up to a $1,000 maximum (up to $500 per semester). The church is not limited to a maximum gift of $1,000, but additional funds above $1,000 will not be matched.

Funds given by the church should not be the result of a designated gift from the student’s immediate or extended family.

To be eligible for matching funds, freshmen must have a minimum 1000 SAT (Math and Verbal) and minimum 2.75 GPA. Continuing or transfer students must have a 2.50 cumulative collegiate GPA.

New students must be accepted for admission, submit a 2015-2016 FAFSA and paid $150 deposit. Returning students must submit a 2015-2016 FAFSA.

Funding for this grant is limited. Qualified students will be awarded based on the submission date of 2015-2016 FAFSA, deposit and receipt of this form and church check.

Grant form must be submitted each academic year-renewal is not automatic.
