Elementary Education Major

The Education Division offers a licensure program (i.e., certification) in Elementary Education. The program of study outlined in this catalog leads to a Bachelor of Science degree in the discipline as well as North Carolina Initial Licensure.

The Education Discipline
The Bachelor of Science in Elementary Education prepares candidates under the knowledge-based model of “Teacher as Leader and Innovator for 21st Century learning in the classroom, school, district, and profession at local, regional, national, and global levels.” The Department’s mission and conceptual framework are based on the Christian calling to the ministry of education within the framework of 21st Century skills, knowledge, expertise, and literacies required for success in work and life. The department believes that effective teachers are leaders who not only care about their students and their profession, but also possess the qualities of Christian character and citizenship to effectively impact both during their calling and career “in a world where change is constant and learning never stops” (2016, P21 Partnership for 21st Century Learning, p.1).

Upon completion of the undergraduate Elementary Education Program, the candidate should be able to meet six goals:

1. Demonstrate a body of core knowledge and professional skills and a commitment to continual renewal of these through lifelong learning and professional development. (Philippians 3:12 “Not that I have . . . already been made perfect, but I press on.”)
2. Demonstrate a disposition inclined to 21st Century leadership both in communicating a subject and in differentiating instruction according to the needs of learners. (North Carolina Professional Teaching Standard 2; II Timothy 2:24, 25 “The Lord’s servant . . . be kind to everyone, able to teach, not resentful. Those who oppose him he must gently instruct.”)
3. Use a variety of methods and materials to engage students in the processes of critical thinking, problem solving, and collaboration. (North Carolina Professional Teaching Standard 4; I Corinthians 14:20 “. . . in your thinking be adults.”)
4. Demonstrate effective communication, using a variety of methods, in interactions with students, parents, and members of the professional community. (North Carolina Professional Teaching Standards 1 & 5; Ephesians 4:29 “what is helpful for building others up according to their needs”)
5. Serve proactively and model the tenets of ethical codes in carrying out responsibilities of the profession within the school community. (North Carolina Professional Teaching Standard 1; Colossians 3:23 “Whatever you do work at it with all your heart, as working for the Lord, not for men.”)
6. Demonstrate an appreciation for diversity as an expression of the manifold image of God in humankind, and build on diversity as an asset in the classroom by consistently integrating culturally relevant materials and ideas. (North Carolina Professional Teaching Standards 2 & 4; I Corinthians 9:22 “I have become all things to all men.”)

Student Learning Outcomes:

1. The candidate will be able to interpret and employ content curriculum areas specific to elementary education as reflected in the North Carolina Standard Course of Study.
2. The candidate will be able to analyze and demonstrate pedagogy appropriate to research based cognitive, affective, and skill development models of teaching.
3. The candidate will be able to analyze research-based curriculum and integrate it with the academic/developmental needs of the student.
4. The candidate will be able to create lesson plans that demonstrate requisite competencies in applying the North Carolina Standard Course of Study (NCSOS) and 21st Century Skills/Standards.

5. The candidate will be able to demonstrate dispositions characteristic of a teaching candidate committed to sustained, high quality performance (leadership, humility, commitment to excellence, responsibility, punctuality, and cooperation).

6. The candidate will become involved in professional organizations and lifelong learning.

**Why Study Education at Montreat College?**

Education is a dynamic profession, in which the classroom teacher remains on the front edge of research and methods applied in an ever-changing global environment.

Educational theory is integrated with professional practice and professional service, and is taught through the lens of a Christian worldview. Graduates of Montreat College Teacher Education Program will be prepared through intellectual inquiry, spiritual formation, and an understanding of their calling and career to pursue the ministry of education in both public and private schools at home in the United States or abroad, wherever the calling of God takes them.

**After Graduation**

The faculty of the Education Department remains available to all graduates whether they are preparing to enter the professional world or are already in it. Graduates from this program should always feel welcome to contact the Education Department should questions or a need of assistance arise.

**Entrance Requirements for Education Candidates**

Acceptance by Montreat College should not be confused with acceptance into the Montreat Teacher Education Program (TEP). Admission to Montreat TEP is open to all Montreat College students who meet the standards established by Montreat College’s Teacher Education Committee (TEC) and the North Carolina State Department for Public Instruction (NC-DPI).

Formal admission to Montreat TEP usually occurs after the junior year. Candidates will meet the following guidelines:

1. Proficiency in oral and written communication through completion of General Education competency requirements and interviews with the Education faculty and representatives of the Montreat TEC.
2. State designated minimum scores:
   - (156) on the ETS CORE Reading,
   - (162) on CORE Writing,
   - (150) on CORE Math, or minimum scores on the SAT of 1100 on the appropriate subtests, or minimum scores of 24 on the ACT on the appropriate subtests.
3. Minimum overall GPA of 2.75 and a 3.0 in all education courses.
4. A recommendation from the Department Chair and one other faculty member regarding the candidate's interest in and suitability for teaching.

**Students are required to have a background check, TB test, and current North Carolina Health Form on file with Montreat College in order to participate in all education courses that include Focused Field Experiences.**

**Requirements for Continuation in the Program after Gateway 1**

- Maintain a cumulative GPA of 3.0 in the education core courses.
- Maintain a cumulative GPA of no less than 2.75.
- Demonstrate dispositions identified within the program.
- Complete appropriate Gateways.
Entrance Requirements for the Professional Year / Montreat Teacher Education Program (TEP)

- Maintain a cumulative GPA of 3.0 in the education core courses.
- File an “Application for Student Teaching” form with the Education Department.
- Update all necessary vaccinations and health tests.
- Complete an interview with Education faculty and representatives of the Montreat TEC for the purpose of determining professional competence/dispositions.
- Complete appropriate Gateways.
- Appropriate SAT or ACT scores or passing scores on the ETS CORE tests.
- Passing scores on the Pearson Foundations of Reading and General Curriculum tests.

Requirements for Licensure in Education

To receive a teaching license, candidates must major in Elementary Education and take the licensure courses in education. In addition, graduates must also pass the Pearson Tests for NC: Foundations of Reading and General Education to be eligible for employment in the North Carolina school system.

Students are required to have a background check, TB test, and current North Carolina Health Form on file with Montreat College in order to participate in all education courses requiring Focused Field Experiences.

Gateway 1: Requirements Check for Continuing in Education Courses

1. 2.75 overall GPA and 3.0 GPA in education courses.
2. Disposition Self-Evaluation (Completed in ED 150).
3. ETS CORE: attempted/or meet state designated minimum scores.

Typically, candidates will complete Gateway 1 at the end of the sophomore year. Candidates will not be allowed continued enrollment in education courses without approval of their advisor based on the GPA check by the Department of Education.

Gateway 2: Entrance Requirements for Education Candidates

Acceptance by Montreat College should not be confused with acceptance into the Montreat Teacher Education Program (TEP). Admission to Montreat TEP is open to all Montreat College students who meet the standards established by Montreat College’s Teacher Education Committee (TEC) and the North Carolina Department of Public Instruction (NC-DPI).

Formal Admission to Montreat TEP usually occurs after the junior year. Candidates will meet the following guidelines:

1. Minimum overall GPA of 2.75 and a 3.0 in all education courses.
2. Meet State designated minimum scores: (156) ETS CORE Reading, (162) CORE Writing, and (150) CORE Math, or minimum scores on the SAT of 1100 on the appropriate subtests, or minimum scores of 24 on the ACT on the appropriate subtests.
3. Reference: K-6 Faculty.
4. Reference: Content Faculty.
5. Reference: Education Faculty.
6. Submit Application to Montreat Teacher Education Program.
7. Interview with Montreat Teacher Education Committee representatives.
8. Meet the Montreat College minimum scores on the Pearson Foundations of Reading and General Curriculum tests.
11. Present evidence of liability insurance by presenting current membership in the Student North Carolina Association of Educators (SNCAE) or another organization that provides comparable insurance.
12. Keep address, phone number, email address and other changeable information up-to-date in the Education Office.
13. Must be admitted by the Teacher Education Committee which has representation from the College and public and private school systems.

Unless candidates have been admitted to the Montreat Teacher Education Program, they will not be permitted to continue with classes in the Education Major if they are seeking NC licensure.

Gateway 3: Entrance Requirements for Student Teaching II

1. Maintain a cumulative GPA of 3.0 in the education core courses.
2. Submit “Application for Student Teaching II” with the Education Department.
6. Interview with Education faculty and Montreat Teacher Education Committee representatives for the purpose of determining professional competence and dispositions.
7. Formal approval by the Montreat Teacher Education Committee.

Gateway 4: Exit from the Montreat Teacher Education Program

1. Exit interview
2. Completion of Student Teaching II
3. Participation in ED 451 Forum III: Issues in Education
4. Exit Portfolio

Unless a candidate successfully completes her/his student teaching, including portfolio submission and participation in ED 451 Forum III: Issues in Education, s/he will not be approved for licensure in the State of North Carolina.

The Montreat College Director of Teacher Education/licensure officer will also determine if a candidate is suitable for the North Carolina Public School classroom. His/her signature is also required for approval for licensure, and will not be given until the candidate has earned passing scores on the North Carolina Pearson Tests: Foundations of Reading and General Curriculum.

Requirements for Licensure-Only Students

Candidates with a baccalaureate degree can enter the College as a licensure-only, non-degree seeking student. The general policy for licensure-only students is that they must meet similar entry, exit, and course requirements as degree-seeking students.

Candidates already possessing a baccalaureate degree must apply for acceptance into the College. Transcripts will then be forwarded to the education department chair who will determine the equivalence of specialty area courses. Following this evaluation, the department chair will prepare a course of study leading to certification.

To gain full acceptance into a program, the candidate must pass ED 150 and must have a minimum 3.0 grade point average. Licensure-only candidates with a 3.0 grade point average from an accredited college or university will also have to pass the CORE reading, mathematics, and writing tests.
Because licensure-only candidates have already completed a program of general studies, they may not have to take courses in the liberal arts. However, candidates must have had coursework in the arts, communication skills, history, literature, mathematics, philosophy and/or religion, and science. The department chair will require courses in these areas if the student (1) is lacking coursework in one or more of these areas; (2) has low grades in a given area; (3) needs to retake courses to raise the overall grade point average; or (4) has a deficiency in one of these areas as noted on a standardized test or in an interview. All ED courses will be required.

The licensure-only candidate will take all courses and tests in the professional and specialty areas required of degree-seeking candidates (including Student Teaching I and II) and meet all other requirements of degree-seeking candidates. At least 70% of the courses must be taken through the College. All proposed transfer courses must be pre-approved by both Department Chair and the Registrar.
