Then, to that, when I look back, I'll ever be true
 Though the years have passed so far
 And the things you taught me will ever be bright
 Shining out as our life's guiding star.
 We will cherish thy name, wherever we roam
 And forever thy praise repeat
 Hail to thee, O Mother, our dearest days
 The days we have spent in Montreal.

Alma Mater

Alma Mater

1.

How dear to our hearts will the memory be
Of the days we have spent in thy care
When within thy dear halls we have lingered a while
All thy gifts and thy blessings to share
So the memory of thee will ever remain
While we think of each dear hallowed scene
And the bonds of true loyalty, o'lest through the years
Our affections will ever keep green.

2.

Then, to thee, Alma Mater, we'll ever be true
Though the coming years scatter us far
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name, wherever we roam
And forever thy praises repeat
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.
