Announcement to Teachers of Music

Season of 1933

Mr. and Mrs. Crosby Adams announce their thirtieth Annual Summer Class for Teachers of Piano for the season of 1933. These Classes were begun in Chicago, their home city, years ago, and for the past eighteen years have been held in their attractive home studio, in The House-in-the-Woods, Montreat, North Carolina, eighteen miles from Asheville.

During these years teachers have come from the following states:

Alabama	Iowa	Montana	South Dakota
Arkansas	Kansas	Nebraska	Tennessee
British Columbia	Kentucky	New Mexico	Texas
Colorado	Louisiana	New York	Virginia
Connecticut	Maine	North Carolina	Washington
Florida	Michigan	Ohio	Washington, D.C.
Georgia	Minnesota	Oklahoma	West Virginia
Illinois	Mississippi	Pennsylvania	Wisconsin
Indiana	Missouri	South Carolina	--and China

These teachers have returned to their work at the conclusion of these sessions, first, rested and refreshed in mind and body because of the freedom from the noise and distractions of the city, and because of the invigorating air that abounds in these picturesque Blue Ridge mountains. And second, they are enthusiastic over the thoroughly practical and artistic help gained in class, by the invaluable lists of critically selected and proven material for study which is illustrated and discussed, from the first work at the piano and on and including the artist's repertoire.

Prominent teachers throughout the country who have attended these Classes state emphatically that this Course is unique in that it has to do with Music and not "Systems" or "Methods", as such.

The final convincing evidence of its value to teachers is that they return again and again for the definite and tangible help they know this Course of Study has for them.

This year's session convenes August 2nd to the 9th, 1933.
