Total General Education Hours: 56

* All full-time students must be enrolled in BB 101 and EN 101 the first semester of enrollment and BB 102 and EN 102 the second semester of enrollment until they are successfully completed. Refer to “Required Courses Must Be Taken Until Successfully Completed” for more information.

**All full-time students must be enrolled in either IS 102 or IS 200 the first semester of enrollment until successfully completed. IS 102 is for students with less than 12 hours of college credit obtained in a college setting (does not include dual enrolled classes, AP classes or CLEP credits). IS 200 is for students who have attended another college and are transferring in at least 12 credit hours. Athletes that are forced to miss two or more days of IS 200 will need to drop and re-enroll the next semester.

***Students in the Montreat College Honors Program may count HN 301, HN 302, and HN 401 for six (6) Gen-Ed humanities credits, and are therefore only required to take one of the humanities classes (3 credits) listed above.

* Athletes may receive 1 credit per semester for full participation in designated college team sports (up to 2 credits total). Verification of participation must be provided by the team coach.

NOTE: Course numbering is specific to Montreat courses; transfer students will be given consideration based on a course-by-course evaluation of credit.

## Electives

Students often ask: *What are electives?* Electives are any class not directly counted toward your general education core, major, concentration, minor, or BA/BS requirements. If you have electives in your four-year plan, these are opportunities to dive deeper into your major or explore other areas of interest.
