

Position: Assistant Professor of Biology

Location: Montreat, North Carolina

Start Date: August 2020

Summary: Montreat College seeks a faculty member in biology who will also instruct Environmental Science classes and other courses as needed. This is a full-time position.

Duties and Responsibilities: The candidate will be responsible for teaching courses in biology and biology lab courses, with specific courses determined by background and departmental needs. Additional responsibilities include advising students, participating in faculty committees, and other duties as described in the Faculty Handbook.

Qualifications: Successful candidate will affirm and support the Mission, Vision, and Statement of Faith of Montreat College as found here:

<https://www.montreat.edu/about/mission/>

The successful candidate will also demonstrate support for Christian liberal arts education and the specific ability to integrate faith and the discipline in a compelling, thoughtful manner.

Teaching excellence and a willingness to serve the broader college community through service and committee work are also expected.

Education/Experience:

A minimum of the M.S. in Biology or related field, doctorate preferred. College level teaching experience preferred; experience in general biology, bio stats, research methods, and botany.

Supervision:

Vice President of Academic Affairs

Application Requirements/How to Apply:

Review of applicants will begin immediately and continue until the position is filled.

Candidates are requested to send the following materials:

- 1) Complete [application](#)
- 2) Letter of Application
- 3) Curriculum Vitae

- 4) Transcripts of Undergraduate and Graduate Work
- 5) Statement of Faith
- 6) Statement of Philosophy of Christian Higher Education
- 7) List of Three References with Contact Information
