

2022-2023 Verification Worksheet

Your 2022-2023 FAFSA was selected for review in a process called **Verification**. The law says that before awarding federal aid, we must ask you to confirm the information reported on your FAFSA. To verify that you provided correct information, you and at least one parent (if you are a dependent student) must complete this worksheet, attach any required documents, and submit all forms to Student Financial Services via fax: [828-412-0257](tel:828-412-0257). Please do not leave any section blank as this will cause your paperwork to be marked as incomplete. Incomplete or unsigned paperwork will result in our inability to disburse your federal aid. **Any adjustments made to your FAFSA as a result of Verification could affect the amount of financial aid you're eligible to receive which could in turn affect your balance due.**
