

Position: Director of Health Services

Supervisor: Vice President of Student Life/Dean of Students (VPSL)

Compensation: Competitive salary and benefits, full-time position (10 month + 5 hours per week average during summer)

Job Summary:

The Director of Health Services will specialize in one's physical health and work closely with the Student Life staff to ensure our students are receiving ongoing support necessary to meet their physical, mental and overall wellness needs.

Work Responsibilities:

- Provide treatment for students with minor illnesses and injury; refer students with more serious illness and injury.
- Develop and implement educational programs related to nutrition and fitness as well as the threats to wellness.
- Manage and maintain Student Health Services policies, procedures, exposure control plan, budget, and medical inventory.
- Perform urine drug screens as requested by Student Life staff and athletic staff.
- Maintain medical records for students including review and certification of all new students' health forms and immunization records.
- Maintain clinic medical records as required by medical director and state law.
- Maintain medical supplies and over-the-counter medications appropriate to the needs of students.
- Coordinate a blood drive each semester of the academic year.
- Maintain certificate of waiver for CLIA waived tests.
- Complete North Carolina immunization compliance annual reporting requirements.
- Provide CPR and First Aid training as requested by Student Services staff.
- Maintain and log AEDs and stop the bleed kits across all campuses.
- Provide assistance in processing health insurance claims for students.
- Maintain contract and perform urine drug screens for MRA conference center.
- Work with other members of the Student Life staff in providing programs, support and counseling to students in personal and spiritual, as well as health related, areas of their lives.
- Active member of various committees as requested.
- Network with outside health services for the benefit of student care.
- Other duties as assigned.

Minimum Education and Experience:

- Bachelor of Science in Nursing (BSN)
- Must be licensed to practice as a Registered Nurse in North Carolina by the North Carolina Board of Nursing
- Excellent communication skills
- Ability to deal tactfully with others and to exercise good judgment in appraising situations and making decisions.
- Outstanding organization and time management skills
- Valid driver's license

Preferred Experience/Requirement:

- Public health experience and/or emergency room experience
- BLS instructor certified
- Bi-lingual

A qualified candidate will have a personal commitment to Jesus Christ, and affirm and support the vision, mission, statement of faith, and community life covenant of Montreat College found here:
