

RETR3AT

CYBERSECURITY CONFERENCE

September 22-23, 2022

www.RETR3AT.com

Montreat College will host its 8th annual RETR3AT Cybersecurity Conference on **September 22-23 2022**. RETR3AT is conference designed to engage, educate, and raise awareness about cybersecurity in Western North Carolina and beyond. RETR3AT goes beyond the “1s and 0s” approach to cybersecurity training, challenging attendees to think about how to lead in protecting their organization’s information within an ethical framework.
