

**Four-Year Plans
for
School of Arts & Sciences
Undergraduate Degrees
2022-2023**

Introduction

What is a Four-Year Plan (4YP)?

It is a recommended set of courses for each of the eight semesters for a particular major and degree.

What is a 4YP important?

It illustrates a path to earning your degree in four years or eight semesters. It also ensures that prerequisite courses are taken timely to make ready for those that follow.

Do I have to follow the plan strictly?

No. While the first and second semesters contain some courses required for those terms, the plan is flexible, and the student often finds it necessary to adapt his or her plan based on course availability.

Who can help me determine if I need to take courses other than those in my plan?

You can help yourself initially by checking the next semester's course offerings when they are released to see what courses are being offered. Build a draft schedule to review with your advisor.

Your academic advisor can guide you based on available courses, your progress to date, and your specific career goals (helpful when your major offers you course options to satisfy a requirement).

Where can I see my degree progress?

Degree progress and an unofficial audit can be viewed and printed in the Montreat Access Portal (MAP).

Table of Contents

Introduction	2
Bachelor of Science in Accounting.....	5
Bachelor of Arts in Bible and Theology	6
Bachelor of Science in Christian Ministry.....	7
Bachelor of Science in Biology - Pre-Professional Concentration	8
Bachelor of Science in Biology - Applied Biochemistry Technology Concentration	9
Bachelor of Science in Biology - Environmental Biology Concentration	10
Bachelor of Science in Biology -	11
Integrated Preparation for Accelerated Bachelor of Science in Nursing Concentration	11
Bachelor of Science in Biology - Special Emphasis Concentration.....	12
Bachelor of Science in Business Administration.....	13
Concentrations in Cybersecurity, Management, Marketing, International Business, Sports Management, Music Business, and Special Emphasis	13
Bachelor of Science in Communication Studies	14
Bachelor of Science in Communication and Digital Media	15
Bachelor of Science in Criminal Justice	16
Associate of Applied Science in Cybersecurity	17
Bachelor of Science in Cybersecurity with a Concentration in GRC	18
Bachelor of Science in Cybersecurity with Concentration in Penetration Testing.....	19
Bachelor of Science in Data Analytics.....	20
Bachelor of Science in Elementary Education	21
Bachelor of Science in Educational Studies.....	22
Bachelor of Arts in English - Literature and Creative Writing Concentrations	23
Bachelor of Arts in English - Professional Writing Concentration	24
Bachelor of Science in Environmental Science: Natural Resource Management Concentration.....	25
Bachelor of Science in Environmental Science: Organismal Ecology Concentration	26
Bachelor of Science in Environmental Science: Special Emphasis Concentration	27
Bachelor of Science in Exercise Science - Pre-Professional Concentration	28
Bachelor of Science in Exercise Science - Health and Fitness Concentration.....	29
Bachelor of Science in Exercise Science – Physical Education.....	30
Bachelor of Science in Exercise Science - Special Emphasis.....	31
Bachelor of Science in Health Sciences, Standard Track	32
Bachelor of Science in Health Sciences, Advanced Track.....	33
Bachelor of Arts or Bachelor of Science in History.....	34
Bachelor of Arts in Music.....	35
Bachelor of Science in Music Business	36
Bachelor of Science in Music Businesswith a Concentration in Audio Production (MAPP)	37

Bachelor of Science in Outdoor Recreation Studies with Environmental Education and Interpretation Concentration	38
Bachelor of Science in Outdoor Recreation Studies with Conservation Criminal Law Enforcement Concentration.....	39
Bachelor of Science in Outdoor Recreation Studies with a Concentration in Outdoor Leadership and Adventure Education	40
Bachelor of Science in Outdoor Recreation Studies with Outdoor Ministry Concentration	41
BA or BS in Psychology and Human Services Concentration in Human Services.....	42
BA or BS in Psychology and Human Services Concentration in Psychology	43
Associate Degrees	44
Associate of Arts (AA) or Science (AS) Degree	44

Bachelor of Science in Accounting

Four Year Plan: Bachelor of Science in Accounting			
Freshman Year			
Fall Semester		Spring Semester	
INDS 1102 Foundations of Faith and Learning	2	CYBR 1131 Computer Applications and Concepts	3
BIBL 1101 Survey of Old Testament	3	BIBL 1102 Survey of New Testament	3
ENGL 1111 English Composition	3	ENGL 1112 English Composition II	3
BUSN 1101 Introduction to Business	3	Elective	3
Gen-Ed Natural Science	4	Gen-Ed Natural Science	3
	15		15
Sophomore Year			
Fall Semester		Spring Semester

Completion of 27 credits at the 3000-level or above. Completion of the Major Field Test by the end of the Senior Year.			
Total hours required for degree:			120

*See General Education for optional course offerings

Special Emphasis Concentration

The Special Emphasis Concentration allows students to design a program of study focused on an area of interest outside the core curriculum of their particular major. Working with a faculty member in their major, the student Chooses courses from other institutions or departments at Montreat College that can be integrated into their specific discipline. The Special Emphasis must be approved by the student's academic advisor prior to completing sixty (60) credit hours.

Requirements for a Special Emphasis Concentration (32 credits)

The Special Emphasis Concentration proposal must meet all the General Education and Competency requirements published in the Academic Catalog, including the language requirement for the BA degree. The proposal must include the following elements: (1) a rationale for the program, (2) a description of one's career objectives, 3 identification of at least thirty-two (32) credit hours of coursework with supporting rationale from within the student's academic program, and 4 identification of at least eighteen (18) credit hours of additional coursework with supporting rationale, generally outside the student's chosen department, that directly supports the student's career objectives. The proposal, once approved by the academic advisor, will be submitted to the Department for final approval.

Associate Degrees

The requirements for associate degrees at Montreat College are designed to provide breadth in the liberal arts general education. Students earning an associate degree from Montreat College will be equipped with foundational skills to integrate into professional careers, and prepared to pursue junior and senior level study toward a bachelor degree.

- Earn a minimum of 60 academic hours of credit.
- Successfully complete all courses listed as basic degree requirements.
- Present a grade of C or better on transfer hours accepted and a cumulative grade point average of 2.0 on all work attempted for a degree at Montreat College.
- Earn a minimum of 24 semester hours at Montreat College.
- Complete an "Application for Graduation" form during the registration period for the semester immediately prior to the date the degree is to be granted.
- Successfully fulfill General Education competency requirements (mathematical computation, oral expression, reading, writing, and computer literacy).

Students who leave Montreat College with less than 60 hours or less than a 2.0 grade point average may enroll in another institution and transfer back a maximum of 12 semester credits toward an associate degree at Montreat College.

Students are normally subject to the academic requirements stated in the Catalog that was current when they matriculated. A student who leaves the College and is later readmitted must meet the requirements current at the time of readmission. It is each student's responsibility to be sure all degree requirements are met.

Students wishing to complete an associate degree while pursuing a bachelor degree must have the two-year degree conferred at least one academic year prior to earning the four-year degree.

Associate of Arts (AA) or Science (AS) Degree

Requirements for an Associate of Arts or Associate of Science Degree

Degree Components:

Completion of the AA or AS Degree Requirements (60 credits)

Completion of the General Education Competencies (See Bachelor Degree General Education section for competencies and required components)

Completion of 60 credit hours with a minimum GPA of 2.0 (a minimum of 24 credit hours must be completed at Montreat College)

AA or AS requirement	AA students must Choose an additional humanities course AS students must Choose an additional mathematics course	3
Electives	Choose ~6 credits of electives to bring total credits to 60	6
Total Associate Degree General Education and Elective Credit Hours:		60

* All full-time students **must** be enrolled in BIBL 1101 and ENGL 1111 the first semester of enrollment and BIBL 1102 and ENGL 1112 the second semester of enrollment until they are successfully completed. Refer to "Required Courses Must Be Taken Until Successfully Completed" for more information.

All full-time students **must be enrolled in either INDS 1102 or INDS 2100 the first semester of enrollment until successfully completed. INDS 1102 is for students with less than 12 hours of college credit obtained in a college setting (does not include dual-enrolled classes, AP classes or CLEP credits). INDS 2100 is for students who have attended another college and are transferring in at least 12 credit hours. Athletes that are forced to miss two or more days of INDS 2100 will need to drop and re-enroll the next semester.

***Students in the Montreat College Honors Program will count HN 320 and HN 420 for six (6) Gen-Ed humanities credits, and are therefore only required to take one of the humanities classes (3 credits) listed above.

**** Foreign languages represent different subject areas of study. Students can take two or more languages to fulfill the required 9 hours.

+ Athletes may receive 1 credit per semester for full participation in designated college team sports (up to 2 credits total). Only 1 credit may be awarded per semester, regardless of dual-sport participation. Verification of participation must be provided by the team coach.

** Students may repeat 1 credit physical activity courses up to two times to fulfill the Physical Education requirement

NOTE: Course numbering is specific to Montreat College courses; transfer students will be given consideration based on a course-by-course evaluation of credit.

This chart is reflective of the entire associate program and maximum credits for the entire degree. A minimum of 60 credits is required for the associate degree.

If students take a full-load each term, they should complete this program in two years.
