

PETITION FOR COURSE BY ARRANGEMENT (CBA)

The Course by Arrangement (CBA) is intended to provide the opportunity for a student to enroll in a major course subject to applicable policy. In some cases, consideration will be given to a general education course. Courses required for a minor are not eligible.

Instructions to Student: *Complete steps in order.* 1. Complete all sections of the form. (If a field does not apply, enter "NA.")
2. Obtain all signatures on the last page. 3. Submit the form to the Office of the Registrar. Deadline: **The completed and signed form must be submitted to the Registrar (registrar@montreat.edu) no later than 11:59pm on the last day of the applicable semester's Drop/Add period.**

Upon Academic Affairs approval, the student will be registered for the CBA course.

An incomplete form will be returned to the student unprocessed. No deadline extension is granted for incomplete forms.

CBA Fee/Tuition Charges

- Fall, Spring semesters: a per-credit-hour fee is charged in addition to tuition (as outlined herein).
- Summer sessions: the per-credit-hour tuition is charged (as outlined in the current Academic Catalog).

Student is Charged in Full: A student in a CBA will pay the full published CBA fee (currently \$234/credit hour) if any of the following apply as determined solely by Montreat College:

- The course is required for graduation (this does not include minors, which are not required) and the College offered or will offer the course within four semesters inclusive of the student's first semester at Montreat (or otherwise in regular sequence as indicated on the published major four-year plan), and the student did not elect to take it for any reason, including being unable to take the course due to missing pre- or co-requisites. The student is solely responsible for knowing what is required for their degree based on published curricula, not any faculty or staff member of the College.
- The course is not required for graduation.
- The course is now required for graduation because the student elected to change majors or catalogs at any time during their time at the College.
- The need for the course arises for the purpose of the student accelerating their time to graduation. This includes (but is not limited to) students who transfer in with fewer than 60 credits needed to graduate.

Student is Charged in Part: A student in a CBA will pay the reduced published CBA fee (currently \$50/credit hour) if the following apply as determined solely by Montreat College:

- The course is required for graduation (this does not include minors) and the College failed to provide the course within four semesters inclusive of the student's first semester at Montreat (or otherwise in regular sequence as indicated on the published major four-year plan). Montreat College will be the sole determiner of whether this condition applies. The student is solely responsible for knowing what is required for their degree based on published curricula, not any faculty or staff member of the College.

Student Acknowledgement of Financial Responsibility for CBA Charges:

I _____ (name of student) agree to pay applicable CBA charges based on Montreat College's determination of my responsibility for the CBA according to the conditions noted above.
