Chapel is not mandatory; however, a large percentage of our student body regularly attends to worship and grow through biblical teaching, discussion panels, and student and staff testimonies.

Convocation is a lecture series held once a month, featuring Christian thought leaders rooted in a biblical worldview. ***All full-time undergraduate students must earn five convocation credits each semester. Cav Care Days also count towards convocation credit.**

Compline is entirely student-led and incorporates reading Scripture, musical worship, and praying together.
